LB 477

CLERK: Mr. President, 477 was a bill introduced by the Performance Review and Audit Committee. (Read.) The bill was read on January 19th of last year. It was referred to the Government Committee for hearing. It was advanced to General File, Mr. President. There is an amendment pending by the Performance Review and Audit Committee, Mr. President.

SPEAKER NICHOL: Senator Warner.

SENATOR WARNER: Pat, do I have an amendment up there? Just one?

CLERK: Yes, sir.

SENATOR WARNER: Move its adoption. What this amendment does is, it's not passed out, but you will recall last year we enacted legislation that extended for one year a number of those boards that would have otherwise been...gone out of existence on the first of July and in that process of extending that for one year it is necessary to amend all of the bills this year dealing with the sunset of an agency to be in compliance with that statute. It is a technical change that without it the agency would go out in any event because there is a one day gap between the original legislation and what was passed last year. So this corrects that and I move for its adoption.

SPEAKER NICHOL: You have heard the amendment by Senator Warner. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the committee amendment.

SPEAKER NICHOL: The amendment is adopted.

CLERK: I have nothing further on the bill.

SPEAKER NICHOL: Senator Warner, back to the bill.

SENATOR WARNER: Mr. President, members of the Legislature, this bill would continue the State Board of Landscape Architects. Among the things that the law or proposed law
